

SOLUTIONS FOR ANGLE, CHANNEL & BAR STRAIGHTENER ROLLS

# Straightener Roll Solutions

New straightener rolls and complete reconditioning, from the roll body and shaft to the entire roll and housing assembly.

# Services & Solutions

Addison Machine is a premier supplier of straightener roll solutions, including new rolls, roll reconditioning, housing supply, replacement of worn existing parts, and more.

## Manufacture New Capabilities

New straightener rolls, from just the roll assembly (roll body and shaft) to complete roll and housing assemblies, including the housings, bearings, seals and other required components.

- ✓ Rotary straightener rolls
- ✓ Bar straightener rolls
- ✓ Angle straightener rolls
- ✓ Channel straightener rolls
- ✓ Rail straightener rolls

## Reconditioning Services Including Housings

Complete reconditioning of straightener roll assemblies. All rolls and components are cleaned and inspected; with your approval, rolls are reground, non-working components are replaced, and everything is reassembled with the rolls.

- ✓ Regrind roll body or manufacture new
- ✓ Shaft replacement services
- ✓ Teardown & cleaning of roll housings
- ✓ Complete housing replacements
- ✓ Inspection services

Before and after reconditioning
